

THE THORNEY ISLAND SOCIETY RESPONSE TO WCC - 10th January 2017

RE: 16/11987/FULL

Hope House 45 Great Peter Street London SW1P 3LT

We have no objection to this proposal from the point of view of visual aspects. However we are concerned that there could be privacy problems because of the number of residential buildings that surround this site that are higher than Hope House. Flats at or above the level of the proposed roof terrace could have their amenity compromised.
