Response sent to WCC via their website, 6th February 2018

Ref: 18/00614/FULL - Landscaping proposal for north west corner of Little Dean's Yard, Ashburnham House, Little Dean's Yard, London SW1P 3PF

We have no objection to the hard landscaping and ramp changes, but we are surprised by the choice of tree. *Arbutus Unedo*, being evergreen and fairly small (according to the RHS website) seems an inappropriate replacement for a tree that was formerly visible from outside the site.
