For the attention of Vincent Nally

16th October 2011

Dear Mr. Nally

Ref 11/08256/FULL

2-4 Old Pye Street London SW1P 2LE

Use from offices (Class B1) to a residential single dwelling house (Class C3) and associated external alterations, to include rebuilding of the second floor, construction of a mansard roof extension at third floor, construction of two terraces at second and third floor and alterations to windows and doors.

Thank you for sending a copy of the planning application relating to the above proposal, with your letter dated 23rd September 2011.

The Thorney Island Society having reviewed the application drawings is somewhat puzzled by the description above and the information on the applications drawings. The latter do not indicate residential use in its proposals, but rather seem to indicate commercial use.

While the Society would not in principle object to a change to residential use, without clearer application drawings we find that we must object to the application.

We trust our observations and comments are of assistance, and ask that they be made known to the Committee and Council.

Yours Sincerely
for and on behalf of the Thorney Island Society

pp Tom Ball
