RESPONSE TO PLANNING APPLICATION - 30<sup>TH</sup> MAY 2017

**17/03830/TELCOM | Replacement of existing telephone kiosk with new design. | Payphone Site Outside 77 Victoria Street London SW1H 0HW**

If payphones are still needed then we accept that they should be upgraded for wheelchair users and Wifi. However, our objection to the previous application at this site remains: that changing illuminated images will add to the visual clutter on Victoria Street.
