For the attention of Harriet Whitehorn

13th May 2012

Dear Ms. Whitehorn

Ref 12/01279/FULL

10 Barton Street, London SW1P 3NE

Enlargement of front dormer and replacement of rear dormer with two new rear dormers and external refurbishment (front and rear) of existing windows, doors, railings, metal stairs and porch.

Thank you for sending a copy of the planning application relating to the above proposal, with your letter dated 19 April 2012.

We have considered the application, and find it clear in its proposals with which we are in sympathy. We are of the opinion that that they are in keeping with the indigenous quality of the area. We appreciate the care given to the new and replaced dormers, as being carefully detailed in design and positioning, such as to enhance the two elevations.

The Thorney Island Society supports the application and recommends its approval. We trust our observations and comments are of assistance, and ask that our comments be made known to the Committee and Council.

Yours Sincerely
for and on behalf of the Thorney Island Society
