**Reasons  
for  
comment:**

**Comment s:** The Thorney Island Society has no objections to the proposed art works to be located on Hungerford Bridge. The Society welcomes the commissioning of genuine and imaginative artist's work. The subject matter is also appropriate. The Society draws attention to the contrast between this application and the Council's Planning Committee approval for the use of the Fourth Plinth in Trafalgar Square. The latter lacked imagination and had little if any originality as art work. for and on behalf of The Thorney Island Society Tom Ball 4th June 2013
