Dear Miss Jennie Humphrey.

30th October 2013

13/10023/FULL

8-9 Smith Square London SW1P 3HT

Aterations to rear courtyard garden including new trellising,
decorative lighting, gas fire and planting.

Thank you for sending us for our comments a copy of the application along with your letter dated 17th October which was post marked 22nd and received 23rd October.

The Society commends the care and attention to detail of this application. It is in accord with the two previous applications for the refurbishment of the two combined terrace houses described as being dated from 1726 and listed Grade II* .

We have no objections in principle to the application.

For and on behalf of The Thorney Island Society

Tom Ball
