For the attention of Mr. Vincent Nally

30th October 2011

Dear Mr Nally

Ref 11/09135/FULL
14A Strutton Ground, London SW1P 2HP
Use of the flat roof at rear third floor level as roof terrace etc

Thank you for forwarding a copy of the above application with your letter dated 18th October 2011.

We have reviewed the application and we have no objection in principle, however the potential impact on the neighbouring properties is always a factor to be taken into consideration.

However we consider that more information is required to be provided on the changes. These are indicated on the drawings and affect the existing mansard and the roof projection; as well as the door openings to the flat roof. The drawings are vague about these details and the comment that the new windows will be similar to the existing is an inadequate explanation.

We trust our observations and comments will be of assistance and ask that our comments be made known to the Committee and Council.

Yours Sincerely

for and on behalf of the Thorney Island Society
