29 - 31 Chadwick Street London SW1P 2ES
(Ref. No: 23/03239/P3JPA)
19 June 2023

We support this conversion to residential units even though it means a loss of inexpensive office space, with the following provisos:
The right proportion of affordable housing is included.
An environmentally sustainable heating system is included. We note that neither heat pumps nor solar heating is proposed.
