

Response from TTIS to WCC

21st March 2018

**Use of the basement and ground floor as Estate Agents (Class A2). 13
Regency Place, SW1P 2EB (18/01331/FULL)**

We object to this change of use.

Although we are aware that the laundrette can cease to trade even if another use was not permitted, we believe that as long as local people are dependent on this service - and some still are - a change of use should not be allowed.
