For the attention of Michael Drake Esq.,

18th March 2013

Dear Mr. Drake

13/01278/FULL

2 Barton Street London SW1P 3NG

Use from school boarding house to three separate residential dwellings and associated alterations (site comprises No. 2, 4 and 5 Barton Street)..

Thank you for your letter dated 1st March 2013. We have considered the application and the many documents forwarded to us. The Design and Access Statement makes the conditions and requirements necessary to transform the properties, very clear and a substantial challenge.

Being at the heart of the Thorney Island Society's area of concern, the Society very much welcomes the proposals to restore the three houses to individual residences. We look forward to the transformation of these historically interesting houses.

The Thorney Island Society has no objections in principle and recommends acceptance of the application.

We trust our observations and comments will be of assistance and ask that our comments be made known to the Committee

Yours Sincerely
for and on behalf of the Thorney Island Society
