For the attention of Renee Clarke

4th February 2013

Dear Ms. Clarke

Ref 112/12026/FULL

**North Court 1 Great Peter Street london SW1P 3LL**

**Replacement of four existing metal framed casement windows to rear facade  
of 3 North Court at first floor level**

Thank you for your letter dated 25th January 2013. along with a copy of the application papers for the above for our comments.

As the proposals are replicating the appearance of what is already existing the Society has no comments other than to welcome the improvement on environmental grounds.

We would point out however that in the information provided the several pages of detail construction of the windows were illustrative rather than relating to one or other of the actual replacements proposed.

We trust our observations and comments will be of assistance and ask that our comments be made known to the Committee.

Yours Sincerely  
for and on behalf of the Thorney Island Society

*PP Tom Ball*
