Response to Planning Application 17/05490/FULL submitted to WCC on 24th July 2017

Erection of a A Women's Suffrage memorial in the form of a bronze statue of non-militant Suffragist Millicent Fawcett, by Gillian Wearing.

Open Space Parliament Square London SW1A 0AA

Although we have no objection to the subject matter of this statue, which is not controversial, we have strong reservations about the current rapid increase in the number of monuments in an area that has been declared a Monument Saturation Zone. This Westminster City Council policy should be adhered to, both now and in the future.
