For the attention of Kimberley Davies
14th August 2012

Dear Ms. Davies

Ref 12/05701/FULL

**Erection of mansard roof extension and alterations
to fenestration ay first and second floor levels.**

Thank you for forwarding a copy of the above application, along with your letter dated 2nd August 2012. We have examined the drawings, and the Design and Access Statement attached to it, and visited the site. We find the application very clear.

The proposals when compared with the existing situation appear to be a considerable improvement as habitable accommodation, subject of course to building regulations. We appreciate the care in improving the elevations, and the attention in matching the eaves and ridge heights with the adjoining building.

Under these circumstances the Society welcomes the improved dwelling provision and its architectural appearance

We trust our observations and comments will be of assistance and ask that our comments be made known to the Planning Committee and the full Council.

Yours Sincerely
for and on behalf of the Thorney Island Society
