Dean Abbott House 70 Vincent Street London SW1P 4BS

Erection of a single storey brick extension to the rear of the lift shaft at ground floor level to house CHP heating equipment.

Comment

The Thorney Island Society has no objection in principle. We would point out that the Ground Floor Plan titled 'existing' differs from the current Proposals Plan as the latter appears to incorporate the lift etc which was permitted in the earlier application (RN:11/00437) .
